

GENERAL TERMS AND CONDITIONS OF PURCHASE

1. GENERAL

1.1 Except where condition 28 applies, these terms and conditions (Terms) apply to every order placed by JENOPTIK Traffic Solutions UK Limited (“**Jenoptik**”) with any individual, firm or company (“**Supplier**”) for goods and/or services (“**Products**”) provided by that Supplier.

1.2 No terms or conditions in or attached to any catalogue, invoice or other sales literature or document or tender or dispatch/delivery advice note of the Supplier which are inconsistent with these terms and conditions or which purport to add to or vary them in any way shall have any effect unless expressly accepted by Jenoptik in writing. In the absence of such acceptance the Supplier shall be deemed to have withdrawn or waived his terms or conditions and to contract solely on the basis of these Terms, and acceptance of any Products shall not constitute or be deemed to constitute acceptance by Jenoptik of the Supplier's terms or conditions.

2. ORDER AND ACCEPTANCE PROCESS

2.1 If Jenoptik wishes to purchase Products from the Supplier, Jenoptik shall inform the Supplier of its requirements and the Supplier shall provide Jenoptik with a quotation for the Products. If Jenoptik accepts the quotation, Jenoptik shall issue a purchase order (“**PO**”) for the Products. If Jenoptik does not accept the quotation, Jenoptik and the Supplier shall discuss and negotiate in good faith to agree the quotation and once the quotation is agreed, Jenoptik will issue a PO for the Products.

2.2 A contract for the purchase of the Products shall be formed when Jenoptik provides the Supplier with a PO and each contract (“**Contract**”) shall comprise the relevant PO and these Terms. To the extent of any inconsistency between these Terms and the PO, these Terms shall prevail unless otherwise agreed between the parties.

2.3 From the date on which Jenoptik provides the Supplier with a PO (“**Effective Date**”), the Supplier will be contractually bound to deliver the Products in accordance with the Contract, subject to these Terms.

2.4 After the Effective Date, the Supplier may not make any changes to the Products ordered or to the PO without Jenoptik's prior written consent.

2.5 Jenoptik is not obliged to accept any quotation from the Supplier or to issue any PO.

3. PRICE

3.1 The price to be paid for the Products (“**Price**”) shall be as set out in the PO. No variation of the Price shall be effective unless agreed in writing between the Supplier and Jenoptik.

3.2 The Price shall be inclusive of VAT, unless Jenoptik and the Supplier agree otherwise in the PO.

4. DELIVERY OF GOODS AND/OR PERFORMANCE OF SERVICES

4.1 All Products ordered by Jenoptik shall be delivered or

performed by the date specified in the PO (“**Delivery Date**”). Failure to deliver or perform the Products by the Delivery Date shall entitle Jenoptik to cancel the Contract without notice and without penalty. If Jenoptik cancels the Contract in accordance with this condition 4.1, Jenoptik shall be released from any further payment obligations and shall be entitled to receive a refund of any part of the Price already paid as at the date of cancellation.

4.2 Where the Products are goods:

- (a) delivery of the goods shall take place by the method and to the location specified in the PO;
- (b) title to the goods shall pass to Jenoptik on delivery; and
- (c) risk in the goods shall pass to Jenoptik when the goods have been accepted in accordance with condition 5.

4.3 The Supplier shall not make partial deliveries of any Products unless otherwise agreed in writing or set out in the PO.

5. ACCEPTANCE OF PRODUCTS

5.1 Unless otherwise agreed in the PO, after delivery or performance (as relevant) of the Products, Jenoptik shall have 30 days (“**Test Period**”) within which to test the Products as Jenoptik sees fit and to notify the Supplier of any defect in the Products (“**Defect**”). The Products shall be deemed accepted on the earlier of:

- (a) the date that Jenoptik notifies the Supplier that the Products are accepted; or
- (b) the expiry of the Test Period, provided that Jenoptik has not notified the Supplier of any Defect.

5.2 If Jenoptik notifies the Supplier of a Defect within the Test Period, the Supplier shall take all steps required to correct the Defect (including, where the Products are goods, issuing replacement goods) as soon as reasonably practicable. If the Supplier is unable to correct the Defect, Jenoptik shall be entitled, at its discretion, to:

- (a) reject the Products, cancel the relevant Contract and be released from any further payment obligations and/or receive a refund of any part of the Price already paid; or
- (b) accept the Products, subject to a reasonable abatement in the Price to reflect the Defect.

6. CANCELLATION

6.1 Jenoptik shall be entitled to cancel a Contract at any time before delivery or performance of the Products and:

- (a) where the Products are goods, Jenoptik shall be entitled to be released from any further payment obligations and/or receive a refund of any part of the Price already paid, save that if the goods are manufactured to Jenoptik's specification then Jenoptik shall be responsible for any part of the Price that represents unavoidable costs incurred in configuring the goods to Jenoptik's specification; and/or
- (b) where the Products are services, Jenoptik shall pay any part of the Price which relates to services already performed as at

the cancellation date (provided such services have been accepted in accordance with condition 5) and shall be entitled to receive a pro rata refund of any part of the Price already paid which relates to services yet to be performed as at the cancellation date.

No Contract may be varied except by an agreement in writing signed by the duly authorised representatives of the parties.

15. CONTRACTS (RIGHTS OF THIRD PARTIES) ACT 1999

Unless the right of enforcement is expressly granted, it is not intended that a third party should have a right to enforce a provision of any Contract pursuant to the Contracts ("Rights of Third Parties") Act 1999. The parties may rescind or vary any Contract without the consent of a third party to whom an express right to enforce any of its terms has been provided.

16. TERMINATION

21.2 Any breach of condition 21 by the Supplier shall be deemed an irremediable material breach of the Contract and shall entitle Jenoptik to immediately terminate this Contract in accordance with condition 16.

22. MODERN SLAVERY ACT

22.1 The Supplier represents that neither the Supplier nor any of its agents or subcontractors:

- (a) has committed an offence under the Modern Slavery Act 2015 (“MSA”); or
- (b) has been notified that it is subject to an investigation relating to an alleged offence under the MSA;
- (c) is aware of any circumstances within its supply chain that could give rise to an investigation relating to an offence under the MSA.

26. DISPUTE RESOLUTION, GOVERNING LAW AND JURISDICTION

26.1 Each Contract shall be subject to and construed in accordance with English law and the parties submit to the exclusive jurisdiction of the English courts.

26.2 If any dispute arises in connection with a Contract, the parties will first attempt in good faith to resolve such dispute amicably between the parties. If such resolution is not possible, either party may refer the matter to mediation.

26.3 The commencement of mediation shall not prevent the parties from commencing or continuing court proceedings.

27. DATA PROTECTION

The parties hereby confirm their intention that neither party will act as a processor (as defined in the General Data Protection Regulation (EU) 2016/679 (“GDPR”)) on behalf of the other party. 28. TERMS AND CONDITIONS THAT OVERRIDE THESE TERMS

28.1 These Terms will apply unless Jenoptik specifies different terms and conditions in its tender or quotation documentation or some other contract entered into by the parties.
